Wailuku, HI - Imua Family Services is pleased to announce the receipt of an award of \$2,500 from The Alexander & Baldwin Foundation (A& B Foundation) to support Camp Imua, a week-long, recreational camping experience for 50 of Maui's school-age children with special needs.

The Alexander & Baldwin Foundation is funded by the business activities of Alexander & Baldwin, Inc. and its subsidiaries. A&B's statewide subsidiaries include Matson Navigation Company and A&B Properties, Inc. Its Maui subsidiaries are Hawaiian Commercial & Sugar Company (HC&S), East Maui Irrigation Company (EMI), Kahului Trucking & Storage (KT&S) and A&B Wailea LLC.

"We are proud that The A & B Foundation has chosen to support Camp Imua for a second consecutive year," said Karen Jayne, Executive Director for Imua Family Services. "This award will help assure the Maui community another great year of Camp Imua activities." Camp Imua supports the objective of providing differently-abled children with an opportunity to gain self-confidence, make friends and experience new activities. Held each year at Camp Maluhia in the West Maui Mountains, Camp Imua is open to any child age 6-19 with a disability.

Camp Imua is a program of Imua Family Services whose mission is to provide comprehensive early childhood development services to children and their families with the support and resources needed to achieve their full potential in life.
