

**FOR IMMEDIATE RELEASE:
April 16, 2009**

**Fred Baldwin Memorial Foundation Awards \$5,000
to Imua Family Services' Early Childhood Development Program**

Wailuku, Hawaii - Imua Family Services has received a grant of \$5,000 from the Fred Baldwin Memorial Foundation to support its Early Childhood Development Program; providing therapeutic services for children age three to six who do not meet age appropriate developmental milestones and fall outside the scope of Department of Education, Special Education Services. The Fred Baldwin Memorial Foundation is administered through the Hawaii Community Foundation and has been supporting projects that benefit Maui County residents since 1910.

“We graciously thank the Fred Baldwin Memorial Foundation for choosing to support the Early Childhood Development Program for a third consecutive year,” said Karen Jayne, Executive Director for Imua Family Services. “The Early Childhood Development Program is a vital service to Maui’s community as there are no other services available for children with mild to moderate developmental concerns in this age range.”

Imua Family Services provides comprehensive early childhood development services to children and their families with the support and resources needed to achieve their full potential in life. Each year, Imua Family Services serves over 2,500 community members on Maui and Lanai through the Infant & Child Development Program, Early Childhood Development Program, Newborn Hearing Screening, and Camp Imua. Imua Family Services' Early Childhood Development Program is supported entirely by grants, foundations and individual donor support. If you would like more information about Imua Family Services please visit our website at www.imuafamilyservices.org or contact Karen Jayne, Executive Director at 244-7467 ext 223.
