Dowling Community Improvement Foundation Provides \$5,000 to Camp Imua

Wailuku, HI – Imua Family Services recently received a grant for \$5,000 from Dowling Community Improvement Foundation to support Camp Imua.

“This generous gift has brought us much closer to our funding goal for this year’s Camp Imua,” said Karen Jayne, Executive Director of Imua Family Services. According to Jayne, when adequate funds are not raised, Imua Family Services must tap into other unrestricted funding sources to pay for the costs associated with Camp Imua.

In June, Camp Imua celebrated its 31st year of providing a free, week-long recreational camp experience to 50 children with special needs and disabilities.

Imua Family Services challenges and inspires our community by helping children with special needs and their families achieve their full potential through support, education, prevention and treatment. Each year, Imua Family Services serves over 2,300 community members through Newborn Hearing Screening, Infant & Child Development Program, Early Childhood Development Program, Camp Imua and You Make the Difference.
